

## **Policies:**

**Rates-** Minimise rate increases by increasing productivity and by using technology to assist council to achieve desired outcomes.

**Works-** Effective road network upgrade and maintenance program to ensure businesses are not negatively impacted.

**Environment-** Utilise and promote our natural assets. Build on partnerships to assist council using local knowledge.

**Governance and Accountability-** Strong accountable leadership, to ensure Council delivers on requirements and continues to build on it's achievements since amalgamation.

**Planning and Economic Development-** thorough active engagement with investors, businesses and individuals.

About myself:-

I am a 3rd generation resident of the Cassowary Coast

The 4th and 5th generations also reside in the Cassowary Coast

I have a strong community engagement through:-

- The Community Advisory Group for the Cairns Hinterland Hospital and Health Services
- Honorary Advisor to the Local Ambulance Committee Conference
- Tully Support Centre
- Qualified Justice of the Peace

Interests fishing, sport and the natural environment.

## **I AM PRACTICAL AND APPROACHABLE**
