

Appendix C:
Flora species list

Explanation of column symbols:

Exotic: * = exotic species. Class 2 = declared Class 2 pest plant under the *Land Protection (Pest and Stock Route Management) Act*.

NC Act: Conservation status taken from the Queensland Nature Conservation (Wildlife) Regulation 2006: Endangered (E), Vulnerable (V), Rare (R), Least Concern (LC).

EPBC Act: Conservation status of each taxon under the Commonwealth *Environment Protection and Biodiversity Conservation Act 1999* (EPBC Act): Vulnerable (V), Endangered (E)

Source: Source of record (blank = observed in the field but not previously collected or recorded within the study area. Wildlife Online = EPA's Wildlife Online database. HERBRECS = Queensland Herbarium's HERBRECS database, DEWHA = Commonwealth Department of Environment, Water, Heritage and the Arts' Protected Matters Search Tool

Species records: 1 = Observed during field surveys
